

John H. “Jack” Marburger 1941–2011

Roger Pielke Jr

© Springer Science+Business Media, LLC. 2011

This special issue on “Reconciling the Supply of and Demand for Science Policy Research” is dedicated to the memory of John H. “Jack” Marburger. Among other roles, Dr. Marburger was a physicist, a university president, and science advisor to President George W. Bush. He also played an instrumental role in the development of the “science of science policy” in the United States. He is a contributor to this volume.
