### - Call for Proposals and Workshops -

On the verge of a new U.S. Presidential Administration, the Policy Studies Organization is glad to announce that the upcoming Dupont Summit will be held during the first week of December 2008, in the aftermath of the U.S. presidential elections.

The purpose of the Dupont Summit is to bring scholars and policymakers into dialogue about pressing policy issues on environment, technology and science, which will need to be addressed by the new American Presidency.

The Dupont Summit will focus on the following themes:

- AIDS
- Biotechnology
- Bioethics
- Biomedicine
- Stem-cell Research
- Information Technology and Telecommunications
- Global Warming
- Environment and Ecology
- Alternative Sources of Energy
- Chemical and Biological Engineering Genetics
