Education and Training

- | | |
|-------------|--|
| 2009 | Postdoctoral Fellow
Lane Center for the American West
Stanford University |
| 2007 | Doctor of Philosophy in Geography
University of Washington, Seattle |
| 2001 | Master of Environmental Science and Management
Donald Bren School of Environmental Science & Management
University of California, Santa Barbara |
| 1997 | Bachelor of Arts in Economics
University of California, Santa Cruz |

Fellowships and Scholarly Appointments

- | | |
|-----------------------|---|
| 2016-2017 | Visiting Researcher , Institute of Environment and Sustainability and Faculty Visitor, Department of Geography, University of California Los Angeles |
| Summer 2013 | Visiting Scholar , Center for Sustainable Communities
University of California Los Angeles |
| Summer 2011/13 | Visiting Scholar and Principal Investigator , Spatial History Project
Stanford University |

Academic Positions

- | | |
|-----------------------|--|
| 2015 - Present | Associate Professor , Department of Geography and Environmental Sciences
University of Colorado Denver |
| 2009 - Present | Assistant Professor , Department of Geography and Environmental Sciences
University of Colorado Denver |
| 2014 - Present | Graduate Faculty , Department of Geography Environmental Studies
Program, University of Colorado Boulder |
| 2013 - Present | Affiliate Faculty , Urban and Regional Planning
University of Colorado Denver |

Other Professional Activities

- 2016- Editor, Human-Environment Section of the Journal *Geography Compass*
- 2012-2014 Chair of the Cultural and Political Ecology (CAPE) Specialty Group
Association of American Geographers
- 2010-2013 Core Advisor to the United Nations Global Alliance for Clean Cookstoves
Finance and Investment Working Group

Peer Reviewed Publications

Peer Reviewed Books

- **G. Simon.** Political Nature: A Political Ecology Perspective on the Environment Guilford Press, NY (**Under Contract**)
- 2016 **G. Simon.** Flame and Fortune in the American West: Urban Development, Environmental Change and the Great Oakland Hills Fire University of California Press, Oakland, CA
- 2012 S. Dooling and **G. Simon.** (Co-Editors) Cities, Nature, Development: The Politics and Production of Urban Vulnerabilities Ashgate Publishing. Aldershot, UK. (Equal Editorial Duties)

Peer Reviewed Book Chapters

- **G. Simon.** How the West Was Spun: The De-politicization of Fire in the American West. In, Handbook on Critical Physical Geography Eds. R. Lave, C. Biermann, S. Lane. Palgrave Macmillan (**In Review**)
- 2012 **G. Simon.** "Development, Risk Momentum and the Ecology of Vulnerability: A Historical-Relational Analysis of the 1991 Oakland Hills Firestorm" In, Cities, Nature, Development: The Politics and Production of Urban Vulnerabilities Eds. G. Simon and S. Dooling. Ashgate Publishing Aldershot, UK.

Grants

Funded

- 2016-18** National Science Foundation, Geography and Spatial Science Program. The Impacts of Carbon Finance on Improved Cookstove Projects and Stove Users in India. Principal Investigator. (\$200,000)
- 2014** Australian Center for Cultural Environmental Research, Co-Investigator (\$4400)
- 2013-14** University of Colorado Denver, Faculty Development Grant (\$2000)
- 2013** Stanford University Center for Spatial and Textual Analysis (in-kind) Scholar Award (\$6000)
- 2011-12** University of Colorado Denver, College of Liberal Arts and Sciences Research

- Innovation Seed Program Grant (\$5000)
- 2011-12** University of Colorado Denver, Advancing Curricula and Teaching Grant (\$3500)
- 2011-12** University of Colorado Denver, Undergraduate Research Opportunities Grant (\$2400)
- 2011** Stanford University Spatial History (in-kind) Scholar Award (\$10,000)
- 2010** University of Colorado Denver, Young Upwardly Mobile Professors Grant (\$1000)
- 2009-11** Stanford University Environmental Ventures Program Grant. Woods Institute for the Environment. Co-Investigator. "Recycled Water Project Implementation: Asymmetry in Scientific Knowledge and Political Economy". (\$199,587)
- 2008-09** National Science Foundation "U.S.--India Joint Workshop: Coupled Human-Natural Systems and the Challenge of Rapid Urbanization to the Resiliency of Water Resources." Co- Investigator. Project # 0837950 (\$49,313)
- 2002-06** National Science Foundation, Integrative Graduate Education and Research Traineeship (IGERT) Fellowship in Urban Ecology. (\$108,000)
- 2005** University of Washington Graduate School Fritz Fellowship for International Study and Exchange, India. "Management of Forests, Fuelwood and Pollution amidst Economic Reforms in India" (\$4500)
- 2005** National Science Foundation Integrative Graduate Education and Research Traineeship. "Exploring the Diffusion of Financial Investments and its Impacts on Energy Use Patterns in Maharashtra, India." (Research and Travel Expenses)
- 2004** National Science Foundation Integrative Graduate Education and Research Traineeship. Language Training Grant, India. (\$6800)
- 2004** University of Washington Rachel Woods Travel Grant, India. (Research and Travel Expenses)

Honors and Awards

- 2014** 2014 AKN Reddy Award for best paper accepted for publication in the Journal Energy for Sustainable Development. For the article "Current Debates and Future Research Needs in the Clean Cookstove Sector"

Editorial Duties

- 2016 -** Editor, Human-Environment Section of the Journal *Geography Compass*

Peer Review

- 2015-16** Annals of the Association of American Geographers
- 2014-15** Natural Hazards Review
- 2013-14** The Professional Geographer
Environment and Planning A
Society and Natural Resources
Progress in Physical Geography
Transactions of the Institute of British Geographers
- 2012-13** Journal of Environmental Studies and Sciences
Ashgate Publishing
- 2011-12** Global Environmental Change

Environment and Planning A

2010-11 Economic Geography
Ashgate Publishing

2009-10 Journal of Urban Affairs

Panel Review for Research Proposals

2016 Proposal Reviewer, National Science Foundation, Geography and Spatial Science Program

2015 Panel Reviewer, National Science Foundation, Dynamics of Coupled Natural and Human Systems Program

2013 Panel Reviewer, National Science Foundation, Socio Environmental Synthesis Center

Presentations at Meetings/Conferences

03/16 Association of American Geographers 2016 Annual Conference "Obscuring the Incendiary: the persistent de- and re-politicization of fire"

04/15 Association of American Geographers 2015 Annual Conference "Discourse, Disasters and the Urban Hazardscape" (Discussant)

04/15 Association of American Geographers 2015 Annual Conference "In the Green Kitchen: Critically assessing Domestic Energy Interventions for Climate and Development" (Discussant)

11/14 International Conference on Evaluating Climate Change and Development "'If You Can't Stand the Heat, Get Into the Kitchen': Household Scale Carbon Reductions at the Climate-Development Interface" (Discussant)

10/14 Annual Meeting, Geological Society of America Chin A, JL Florsheim, GL Simon, LR Laurencio, A Parker, E Stinson "Understanding feedback loops in coupled human-landscape systems for mitigating potential hazards: an example from the 2012 Waldo Canyon Fire of Colorado"

04/14 Association of American Geographers 2014 Annual Conference Chin A, JL Florsheim, E Wohl, BD Collins, G Simon, "Feedbacks in human-landscape systems"

04/14 Association of American Geographers 2014 Annual Conference "Engaged Scholarship in Critical Geography: Theory, Practice and Pedagogy"

04/14 Association of American Geographers 2014 Annual Conference "Gender and Wildfire: Landscapes of Uncertainty"

04/14 Association of American Geographers 2014 Annual Conference "Historical Political Ecology 2: Histories of Conservation, Environmentalism and Health and Wellbeing, with Implications for the Present"

03/14 American Society for Environmental History "It Begins With a Spark: Leveraging Event Narratives to Explain Risk and Affluence in the Suburbs"

04/13 Association of American Geographers 2013 Annual Conference "Panel: Climate Policy as Industrial Policy: Emerging Geographies in the Green Economy"

04/13 Association of American Geographers 2013 Annual Conference "Panel: Unpacking Ethical Markets: Academic and Industry Research Methods"

04/13 Association of American Geographers 2013 Annual Conference "Panel: Political

- Ecology and Environmental History: Overlap, Divergence and Opportunities”
- 06/12** Association of Environmental Studies and Sciences “An REI shopper camps in the forest. Does anyone notice? Ethical Consumerism and the problem with ‘Leave No Trace’”
- 02/12** Association of American Geographers 2012 Annual Conference “Critical Physical Geography”
- 02/12** United Nations Special Session, Association of American Geographers 2012 Annual Conference “(De)constructing Win-Wins: Mutually Supported Impediments and the UN Global Alliance for Clean Cookstoves”
- 04/11** Association of American Geographers 2011 Annual Conference “Carbon, technology, and win-win outcomes at the climate/development interface”
- 04/11** Association of American Geographers 2011 Annual Conference “Change in (sub)urban(izing) environments: conceptualizing vulnerability, resilience and sustainability at the urban scale”
- 04/11** Association of American Geographers 2011 Annual Conference “Burning for Sustainability: Cooking and Space Heating with Biomass”
- 04/10** Association of American Geographers 2010 Annual Conference “Landscape History, Tax Reforms, and the Production of Vulnerability to Wildfires in the East Bay Hills”
- 10/09** Association of Collegiate Schools of Planning Annual Conference “Roundtable: People, Nature and Cities: New Directions for Urban Ecology in the 21st Century.”
- 04/09** Association of American Geographers 2009 Annual Conference “The 100th Meridian, Ecological Boundaries and the Problem of Reification”
- 04/08** Association of American Geographers 2008 Annual Conference “The Privatization of Indoor Air Pollution Management: Who Benefits?”
- 08/06** Royal Geographical Society and the Institute of British Geographers 2006 Annual Conference “A Reflexive Assessment of Human Geographers in Urban Ecology: Contributions, Strengths and Weaknesses”
- 03/06** Association of American Geographers 2006 Annual Conference “IGERTS in Geography: Lessons Learned in Interdisciplinary Research and Training”
- 03/06** Association of American Geographers 2006 Annual Conference “Indoor Environments as Active Political-Ecological Spaces: The Case of Improved Cookstove Programs and “Healthy” Homes in India”
- 01/06** Engineers in Technical and Humanitarian Opportunities of Service (ETHOS) 2006 Annual Conference “Equitable Commercialization of Improved Cook Stoves: Changing Project Governance in Maharashtra, India
- 04/05** Association of American Geographers 2005 Annual Conference “Something’s Cooking: Towards a Political Ecology of Indoor Air”
- 04/04** American Society for Environmental History 2004 Annual Meeting “Changing Perceptions of Seattle’s Parks System: An Evolution of Social and Ecological Ideologies”
- 03/04** Association of American Geographers 2004 Annual Conference “The Emergence of Seattle’s Park System 1900-2000: Linking Economic, Cultural and Ecological Change”
- 05/03** National Association for Olmsted Parks 2003 Conference in Seattle “Maintaining

the Olmsted Vision in Seattle: Adaptive Planning and Timely Acquisition”

Seminars and Workshops

- 09/16** University of Colorado, Department of Geography “How the West was Spun: Science, Development and the De-politicization of Fire” **[Invited]**
- 04/15** Critical Physical Geography Workshop, Association of American Geographers 2015 Pre-Conference
- 10/14** Oxford University, School of Geography and the Environment “The Politics of Nature: A Political Ecology” **[Invited]**
- 09/14** UC Berkeley, Department of Geography “Flame and Fortune in California: Affluence, Vulnerability and the 1991 Tunnel Firestorm” **[Invited]**
- 02/14** UCLA, Department of Geography “Flame and Fortune: A Spatial History of Vulnerability-in- Production” **[Invited]**
- 09/13** Yale University, School of Forestry and Environmental Studies “Flame and Fortune in California: Spatial History and the Material and Political Dimensions of Vulnerability” **[Invited]**
- 08/13** Stanford University Center for Spatial and Textual Analysis “Three Spatial Histories of Fire Vulnerability in Oakland, California”
- 8/13** Café Scientifique 2 in Denver Colorado “A Hot Mess: Wildfires and Dynamic Nature of Vulnerability in the US West” **[Invited]**
- 04/13** Rocky Mountain Public Broadcasting System (PBS) Environmental Film Series (Discussion Panelist) **[Invited]**
- 06/12** National Socio-Environmental Synthesis Center, Synthesis Education Workshop “Synthesis for the interdisciplinary sciences: integrating systems approaches and service learning” **[Invited]**
- 04/12** University of Colorado, Colorado Springs “The Contradictions of ‘Leave No Trace’ Outdoor Recreation Ethical Consumerism” **[Invited]**
- 03/11** University of Colorado, Department of Geography “Contradictions at the Confluence of Commerce and Conservation: The Case of ‘Leave No Trace’” **[Invited]**
- 11/10** Rocky Mountain Public Broadcasting System (PBS) Environmental Film Series (Discussion Panelist) **[Invited]**
- 04/10** University of California Santa Barbara “University of California Natural Reserve System Symposia” **[Invited]**
- 10/08** Stanford University and the Bill Lane Center for the West 2008 Symposia “Beyond ‘Leave no Trace’: the perils and promises of an outdoor recreation ethic”
- 08/08** Stanford University and the Bill Lane Center for the West 2008 Symposia “Fire in the Bay Area: A Look Back at the 1991 Oakland Hills Firestorm”

Organized Presentations at Meetings/Conferences

- 04/15** Association of American Geographers 2015 Annual Conference “Vulnerability, Privilege and Affluence: Exploring the Connections”
- 04/14** Association of American Geographers 2014 Annual Conference “Annual CAPE Plenary Lecture, by Karl Zimmerer”

- 04/14** Association of American Geographers 2014 Annual Conference “The Rise of Environmental Interdisciplinarity: Articulating Space for Human-Environment Geography”
- 04/14** Association of American Geographers 2014 Annual Conference “Urban natures: Infrastructure, ecology, and the 'resilient' city I”
- 04/14** Association of American Geographers 2014 Annual Conference “Urban natures: Infrastructure, ecology, and the 'resilient' city II”
- 04/14** Association of American Geographers 2014 Annual Conference “Urban natures: Infrastructure, ecology, and the 'resilient' city III”
- 03/14** American Society for Environmental History “Risk and the Suburbs: Historical Political Ecologies of Fire”
- 04/13** Association of American Geographers 2013 Annual Conference “Annual CAPE Plenary Lecture by Judith Carney: The African Components of the Columbian Exchange.”
- 04/13** Association of American Geographers 2013 Annual Conference “Panel: Political Ecology and Environmental History: Overlap, Divergence and Opportunities”
- 04/11** Association of American Geographers 2011 Annual Conference “Payments for Ecosystem Services, Poverty Reduction, and Carbon Markets: incorporating the others' ecosystem?”
- 04/10** Association of American Geographers 2010 Annual Conference “Panel: Conservation, Development and the Production of Urban Vulnerabilities”
- 04/09** Association of American Geographers 2009 Annual Conference “How the West Was Spun: Challenging Traditional Narratives About the US West”
- 05/09** Stanford University and Bill Lane Center for the West 2008-2009 Speaker Series “How the West was Spun: An Interdisciplinary Forum on The North American West, its People and its Environment”
- 05/08** Stanford University and Bill Lane Center for the West 2008 Symposia “Wildfires in the West”
- 04/08** Association of American Geographers 2008 Annual Conference “Nature Society and the “Great Indoors””
- 04/05** Association of American Geographers 2005 Annual Conference, “New Geographies of Political Ecology I: Rethinking Global and Transnational Ecologies”
- 04/05** Association of American Geographers 2005 Annual Conference, “New Geographies of Political Ecology II: Cities, Homes and Bodies”
- 04/05** Association of American Geographers 2005 Annual Conference, “New Geographies of Political Ecology III: Political Subjects and Environmental Discourse”

Classes Taught

Current Classes

Foundations Seminar in Human-Environment Interactions (GEOG 6300)
Introduction to Environment and Society (ENVS 1342)
Science, Policy and the Environment (GEOG 4/5440)
Synthesis for Interdisciplinary Science GEOG 4700 / ENVS 5700)
The Politics of Nature (GEOG 4/5420)

University of Colorado Denver . Department of Geography and Environmental Sciences
P.O. Box 173364, Campus Box 172 . Denver, Colorado 80217-3364

Urban Sustainability: Perspectives and Practice (GEOG 4/5580)

Other Classes Taught

Free Trade, NAFTA and the Environment (2007 - 2009) Stanford University
Bay Area Ecology, Policy and Society (2007 - 2009) Stanford University
Wilderness and Society: The High Sierra Project (2001 – 2009) UC Santa Barbara Extension
Wildlands Studies Program (Co-Project Leader)
Urbanization and Sustainability in the Puget Sound (2007) University of Washington
Cultural Geography (2007) University of Washington
Nature, Globalization and Consumption (2005) University of Washington
Urban Ecology (2005) University of Washington
Climate and Society (2002) UC Santa Barbara
Climatology (2002) Cal Poly San Luis Obispo
Ocean/Atmospheric processes (2001) UC Santa Barbara

Graduate Students

Doctoral

Current	Katherine Clifford	CU Boulder – Geography
Current	Angela Cunningham	CU Boulder – Geography
Current	Lauren Gifford	CU Boulder – Geography
Current	Travis Flohr	CU Denver – Urban and Regional Planning
2016	Adrienne Kroepsch	CU Boulder – Environmental Studies
2010	Enessa Janes	CU Denver – Urban and Regional Planning

Masters

Current	Brendan Berve (Chair)	CU Denver – Geography
Current	Isaac Rivera (Chair)	CU Denver – Geography
Current	Dan Chelist (Chair)	CU Denver – Geography
Current	Marcelle Caturia	CU Denver – Geography
Current	Emily Anderson	CU Denver – Geography
2016	Nicole Brunner (Chair)	CU Denver – Environmental Sciences
2016	Brandi Honeycutt (Chair)	CU Denver – Environmental Sciences
2016	Alejandra Uribe (Chair)	CU Denver – Environmental Sciences
2015	Tera Del Priore	CU Denver – Environmental Sciences
2014	Rebecca Hays	CU Denver – Environmental Sciences
2012	Genevieve Barnes (Chair)	CU Denver – Environmental Sciences
2011	Robin Lockwood	CU Denver – Environmental Sciences
