

## Center for Science and Technology Policy Research Briefing #5, 10 November 2006

In 2006, we launched a new email briefing about our [Center's science policy work](#). We are working to improve how science and technology policies address societal needs. Please let us know what information you might like to receive by [emailing us](#). A pdf of this briefing is also attached. This newsletter is also [available online](#), along with an archive of past newsletters. Should you wish to unsubscribe, or would like to be added to our distribution list, please [click here](#).

### [About the Center](#)

### [Center Highlights](#)

- The Center for Science and Technology Policy Research is [recruiting for two faculty positions](#) at the assistant/associate (with tenure) level in science and technology policy research with a focus on decision making under uncertainty.
- The Climate Change and Disaster Losses Workshop Report is now [available online](#).

[Prometheus](#) is the Center's weblog. Recent posts:

- [Earmarking at CU-Boulder](#)
- [Normalized US Hurricane Damage: 1900-2005](#)
- [Mike Hulme on the Climate Debate](#)
- [The Stern Review on the Economics of Climate Change: A Comment by Richard Tol](#)

Sample of [Recent Publications](#):

- **Book review of William Sweet's *Kicking the Carbon Habit: Global Warming and the Case for Renewable and Nuclear Energy*:**  
Pielke, R.A., 2006. [What just ain't so: It is all too easy to underestimate the challenges posed by climate change](#) Nature, Vol 443, pp. 753-754.
- **Assessing the factors that account for increasing costs of weather related disasters in recent decades:**  
Höppe, P. and R.A. Pielke, Jr. (eds.), 2006. [Workshop on Climate Change and Disaster Losses: Understanding and Attributing Trends and Projections](#), Final Workshop Report. Hohenkammer, Germany, 25-26 May.
- **Do scientists have choices in how they engage with policy and politics?**  
Pielke, Jr., R.A., 2006. [Self-Segregation of Scientists by Political Predispositions](#). Bridges, Vol. 11, September.

All articles are available via download from our [website](#) or can be [requested by email](#).

### [Media Resources](#)

- [Hurricanes and Global Warming](#)
- [Politicization of Science](#)
- [Space Policy](#)
- [Drought Policy](#)
