

## Center for Science and Technology Policy Research Briefing #7, 27 March 2007

In 2006, we launched a new email briefing about our [Center's science policy work](#). We are working to improve how science and technology policies address societal needs. Please let us know what information you might like to receive by [emailing us](#). A pdf of this briefing is also attached. This newsletter is also [available online](#), along with an archive of past newsletters. Should you wish to unsubscribe, or would like to be added to our distribution list, please [click here](#).

[About the Center](#)

[Center Highlights](#)

- Roger Pielke, Jr. [testified before the Committee on Oversight and Government Reform](#), U.S. House of Representatives, on the subject of Political Interference in the Work of Government Climate Change Scientists. Roger's Congressional testimony can be [read here](#).
- A [New & Upcoming Book Releases](#) page has just been added to our website. Here you will find information about books by Center authors including release dates, table of contents, reviews, and how to order.

[Prometheus](#) is the Center's weblog. Recent posts:

- [Why Al Gore Will be the Next President: Part 1, Part 2, Part 3](#)
- [Understanding US Climate Politics](#)
- [Should A Scientific Advisor be Evaluated According to Political Criteria?](#)
- [Post-IPCC Political Handicapping: Count the Votes](#)

Sample of [Recent Publications](#):

- **How do you communicate climate change in order to facilitate societal response?**  
Moser, S. and L. Dilling (eds.), 2007. [Creating a Climate for Change: Communicating Climate Change and Facilitating Social Change](#). Cambridge University Press, 512p.
- **Renewed attention to policies for adapting to climate change cannot come too soon:**  
Pielke, Jr., R.A., G. Prins, S. Rayner, and D. Sarewitz, 2007. [Climate change 2007: Lifting the taboo on adaptation](#), Nature, Vol. 445, February 8.
- **How recent Colorado drought years have brought many challenges while providing strong incentives for reform and innovation:**  
Kenney, D., C. Goemans, B. Klein, J. Lowrey, and K. Reidy, 2007. [Residential Water Demand Management in Aurora: Learning from the Drought Crisis](#), Colorado Water, February/March.

All articles are available via download from our [website](#) or can be [requested by email](#).
